Publishing plan 2010

Belgrade, 2009

Preface

The plan of publications is issued in the end of year for the forthcoming year, in Serbian and English, in order that our users may be fully informed on our publishing activity.

The plan covers the period from 1 January 2010 to 31 December 2010.

The publications are classified by respective areas (given in Table of contents) and there presented by titles. Along with the publication title given are short description and info on territorial level of presentation, type of publication, person responsible, and date and periodic of issue.

Information on formats available, language versions and ways of access are also at your disposal.

For more details please contact:
